Hello Maxime,

I'm working here at the NCRCC and was just approached by PPS. Unfortunately it looks like too much fencing was removed. See the picture below in. Marked in red is where they would still like to have some fencing. You can also see (just barely) that the front entrance areas are marked in red and need to be fenced as well.

Good Evening Albéric,

The team will commence clean-up operations at approximately 1900 hrs. Your PoC for this operation are as follows:

1900hrs-0600hrs – Maxim Picard # 613-852-7541.

0600hrs-1800hrs – Miguel Sousa # 613-223-5104

Their Director is Benoît Boivin # 613-913-9306

The team will continuously work on the task at hand, and as discuss may not meet the 0600 hrs deadline. We are dependent on the PCL-ED team to complete the OPS/RCMP perimeter request, before they commence the clean-up operation.

Regards,

Jesse Maynard
